The musical score is written in treble clef with a key signature of one flat (B-flat) and a 2/4 time signature. It consists of six staves of music with lyrics underneath. Chord symbols are placed above the notes. The lyrics are: Born every day at I-tas-ca over Saint An-thon-y Falls. She rolls through the heart of this coun-try. She rolls through the hearts of us all. REFRAIN She's the Great Mis-sis-sip-pi. She's a wind-ing road. Eve-ry turn, eve-ry bend will bring you back a-gain For a sto-ry told.

## *Additional Verses*

She is a wide-shouldered river  
Taking the Rockies' high mountain snow  
And the soft spring rains of Virginia  
Along with her as she goes.

Rolling over Saint Peter Sandstone  
Twisting down Glenwood Shale  
Bearing down on Platteville Limestone  
For 12,000 years she's been there.

She's the "Rio Escondido,"  
The "Sassagoula," the "Mee-zee-see-bee."  
She has a river of names from her people,  
Twenty-four hundred miles to the sea.
